Sir:

In response to the Notice of Abandonment dated June 2, 2004, applicant hereby respectfully petitions under the provisions of 37 C.F.R. § 1.181 and MPEP § 711.03(c) for a decision to withdraw the holding of abandonment due to failure to receive an Notice of Allowance.

The Notice of Abandonment dated June 2, 2004 indicates that this application was abandoned in view of the applicant's failure to respond to an Notice of Allowance mailed on May 19, 2003.

However, this Notice of Allowance was never received by the offices of the undersigned, and a search of the file jacket for the present application and the firm docketing records reveals that the Notice of Allowance of May 19, 2003 was never received.

08/03/2004 HVUONG1 00000055 022448 09677031

01 FC:1460 130.00 DA

The offices of the undersigned did not become aware of the Notice of Allowance until advised of the holding of abandonment.

The fact that the Notice of Allowance of May 19, 2003 was never received in the offices of Birch, Stewart, Kolasch & Birch, LLP is evidenced by Exhibits I, II, and III attached hereto.

Exhibit I is a copy of the front page of the file jacket of Appl. No. 09/677,031 (which corresponds to Attorney Docket No. 0303-0436P). It is the policy in our office to record all information regarding Office Actions and Notices of Allowance and responses on the front page of the file jacket. As the Petitions Examiner will note, there is no entry for the Notice of Allowance dated May 19, 2003 on the front page of the file jacket of the above-referenced application.

Exhibit II is a copy of the computer-generated daily docket sheet(s) of Birch, Stewart, Kolasch & Birch, LLP for the date of August 19, 2003 (the due date for the Issue Fee), containing entries made by our Docketing Department of due dates in response to PTO actions. It is the policy of our offices to docket all due dates for Notices of Allowance received from the USPTO into our computer docketing system.

Although Application Numbers, Titles, Client Names, and Inventor Names have been redacted from this Exhibit to avoid public disclosure of these matters once the present application is patented, it is still clear that there is no

entry for the due date of August 19, 2003 which corresponds to the current application, Attorney Docket No. 0303-0436P.

The undersigned certifies that he has reviewed the computer-generated daily docket sheets for the due date of August 19, 2003 and did not locate an entry that corresponds to Appl. No. 09/677,031 to inventors Tomohiko YAMAMOTO et al..

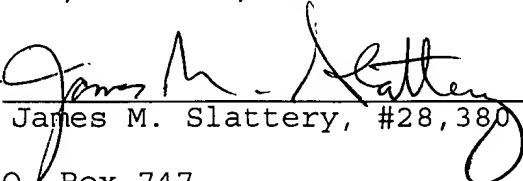

In view of the above-described facts, it is respectfully submitted that the abandonment of the present application was unavoidable and due solely to problems with mailing of an Notice of Allowance since the Notice of Allowance dated May 19, 2003 was never received in the offices of Birch, Stewart, Kolasch & Birch, LLP. The present Petition is timely filed for this purpose.

Since the above-mentioned Notice of Allowance was never received in the offices of the undersigned, it is believed that no petition fee is necessary in connection with this Petition. In the event that a petition fee is deemed necessary by the USPTO, it is respectfully requested that the fee of \$130.00 as set forth in 37 C.F.R. § 1.17(h)(1) be charged to Deposit Account No. 02-2448.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fee required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP
